FOR SOCIAL RESPONSIBILITY

## WENATCHEE VALLEY YMCA

**The Cancer Survivorship Wellness and Rehabilitation Program** is a collaborative effort involving Confluence Health, Central Washington University, EASE Cancer Foundation, and the Wenatchee Valley YMCA.

Sessions begin every spring and fall and space is offered on a first come first serve basis.

### Highlights include:

- Individual pre/post physical fitness testing
- Cardiovascular, strength, and flexibility training in a supportive group environment
- Educational classes on exercise, stress management, sleep hygiene, healthy eating strategies, cancer risk reduction, and more
- Nutrition counseling and accountability
- Weight management
- Lymphatic Massage and scar mobilization
- Aquatic exercise
- Beginning Pilates
- Therapeutic and Restorative Yoga
- Chemo Brain and Cognitive Games
- Motivational Support and Training
